> THE HAY QUESTION .- A controversy which has been attracting some attention among the legal fraternity and the citizens, is that between the city and I. Shadbolt, former Weigher of Hay for the East side of the river. Shadbolt was city weigher last year. The ordinance provides that the City Council shall annually appoint two Weighers of Hay, one for the East Side and one for the West Side, "at their first regular meeting in being a defaulter. To give opportunity for these charges to be investigated, the election was postponed for a week, and then again pointed to make an investigation and report. They reported that Mr. Shadbolt was a defaulter to the amount of \$500, we believe .-The Council therefore appointed Mr. Hopkins at the third or fourth meeting in May Mr. Hopkins took possession of the hay Reverend gentleman that evening preached scales and has officiated as City Weigher.— upon slavery, and those acquainted with his stand, and has weighed hay at 20 cents per left the church in high dudgeon.

load, the established price being 25 cents.

This cause is submitted to the Court up-

AN OCTOROON IN CLEVELAND .- The resi feet of water, by which the greater portion of dents upon Prospect, Erie and Huron streets the hull with the machinery and perhaps part | and that vicinity may have frequently met of the lumber that had already been placed in in their walks, or seen pass their doors, a The origin of the fire is unknown. It could bright, intelligent, active little girl, with long black curls, a complexion not yellow or brown, but a combination of pure black an white, she being always accompanied by a grave and dignified colored servant of perhaps 45 years of age. There is a family listory connected with that little girl which will not be uninteresting.

The girl is an Octoroon, and the daughter of a very wealthy Mississippi planter, who has a plantation about ten miles from Natchez, where his family of slaves number about two hundred. This gentleman is now about eighty years old, and the girl about eleven. She was the daughter of a favorite slave of his, and he desired to have her well educated and brought up away from the influences of slavery, for, while he is a large slaveholder himself, he is not blind to the disadvantages under which she would necsearily remain in a slave State. For sevaral years she has lived in a seperate estab ishment in Natchez devoted exclusively t

This year her father concluded to send he the North to be educated. Accordingly in April his agent came to Cincinnati in search of a favorable location. He was referred, by Cincinnati parties, to Rev. J. C. White of this city, and came to see him accordingly. Arriving here upon a Saturday, he made inquiries the next day for Mr. White's church, and attended service there in the evening. It so happened that the Shadbolt, however, alleges that whereas no style, need not be told that his bold and election was made at the time prescribed by scathing denunciation of the system was the ordinance, therefore he still holds his not calculated to prejudice a Southerner in office, ank he put up scales near the old his favor. The sgent listened for a time and

Not caring to go back, however, with his To bring the case before the Court for ad- mission unfulfilled, he called upon Mr. justment, a case will be brought up this White the next day and explained the object morning in Petice Court, which is explained of his visit. It was recommended to him PROPELLER PORTSMOUTH DISABLED.-The in the following agreed statement of facts that the best plan would be for the girl to go to Oberlin, into some pleasant family, and In the Police Court of the City of Cleveland—Information for selling ones load of hay without having the wealth accordance by either of the Welghers of Hay of said eral houses, one was purchased of Mr. sea until yesterday, when the propeller on the following statement of facts agreed Clark, the former owner, for \$7,000.
